Case No. 1:15-cv-02783-RRM-RLM  
Motion for Phone Conference

Your Honor:

We represent the plaintiffs in the above-described wage and hour matter. On May 18<sup>th</sup>, 2016 (over three years ago), the parties filed their briefings regarding Defendants' Motion for Partial Dismissal of Plaintiffs' Second Amended Complaint. Dkt 60. On February 3<sup>rd</sup>, 2017, Plaintiffs filed a supplemental response to the defendants' motion, along with the defendants' reply to that response. Dkt 65. This motion has been pending before the Court since then.

We respectfully request a phone conference to discuss the status of this matter. We thank the Court for its attention.

Sincerely,

Penn Dodson, Esq.
